

## **Congratulations to Kate Vessman!!**

**Toowoomba Golf Club's Finance Officer**

**Winner of the AIOP  
Darling Downs Branch  
"Junior Office Professional  
of the Year Award"**

**The Toowoomba Golf Club is proud to announce that Kate Vessman won the "Junior Office Professional of the Year," this morning at a special breakfast held at Rumours.**

**Kate commenced at the Toowoomba Golf Club in 2006 at the age of 17. She has become a highly valued employee of the Club, which has been demonstrated through being nominated for this award by the Board of Directors.**

**The Australian Institute of Office Professionals is the only national professional body for office professionals in Australia. The Institute is primarily involved with improving the profile of office professionals in the business community and increasing educational levels. The Darling Downs Branch has been running this event since 1992.**

**Kate was one of 5 young ladies who were short listed and she was up against some very strong competition with other nominees being nominated from Heritage Building Society, USQ, Horizon & Easternwell.**

**And you may be surprised to know that what Kate loves about her job is the numbers and the analysis, the satisfaction that comes from everything balancing and receiving a clean audit.**

**Well done Kate!**
